Date: 30<sup>th</sup> March 2021

Version: 1.0

## **1.0 Introduction**

Cookies are small text files that are placed on your computer's hard drive by your web browser when you visit any website. They allow information gathered on one web page to be stored until it is needed for use on another, allowing a website to provide you with a personalised experience and the website owner with statistics about how you use the website so that it can be improved.

Some cookies may last for a defined period of time, such as one day or until you close your browser. Others last indefinitely.

Your web browser should allow you to delete any you choose. It also should allow you to prevent or limit their use.

There are generally four categories of cookies: "Necessary," "Performance," "Functionality," and "Targeting."

### **1.1 Passmore Group Website**

Our website uses cookies. They are placed by software that operates on our servers, and by software operated by third parties whose services we use. The law states that we can store cookies on your device if they are strictly necessary for the operation of this site. For all other types of cookies we need your permission. Passmore Group use "Necessary" and "Targeting" cookies.

When you first visit our website, we ask you whether you wish us to use cookies. If you choose not to accept them, we shall not use them for your visit except to record that you have not consented to their use for any other purpose.

If choose not to use cookies or you prevent their use through your browser settings, you will not be able to use all the functionality of our website.

We use cookies in the following ways:

- to track how you use our website
- to record whether you have seen specific messages we display on our website
- to keep you signed in our site
- to remarket to you through social advertising and ad-words

### **1.2 Third-party cookies**

In addition to our own cookies, we may also use various third-parties cookies to report usage statistics of the Service, deliver advertisements on and through the Service, and so on.

### **1.3 How long will cookies stay on my device?**

The length of time a cookie will stay on your computer or mobile device depends on whether it is a "persistent" or "session" cookie. Session cookies will only stay on your device until you stop browsing. Persistent cookies stay on your computer or mobile device until they expire or are deleted.

#### **1.4 How can I remove cookies?**

If you'd like to delete cookies or instruct your web browser to delete or refuse cookies, please visit the help pages of your web browser.

Please note, however, that if you delete cookies or refuse to accept them, you might not be able to use all of the features we offer, you may not be able to store your preferences, and some of our pages might not display properly.
